

Contract Services

Contract Service Work at New Perceptions

Our Work Center is an on-site work program offering paid, meaningful work to more than 100 adults with disabilities. Skills such as keeping a schedule, setting and meeting goals, and building relationships are taught throughout the day in a fun, upbeat environment.

While meeting our participants' needs, our team is driven to provide quality services to local businesses. Our production processes are led and quality checked by our supervisory staff.

Contract Services Available

- Assembly
- Packaging
- Collating
