

Yes! I would like to participate as a pamperer at the 2025 Ladies Night Out event!

INFORMATION

- ◆ This event draws 200+ women to receive pampering services from area businesses.
- ◆ More than one service may be offered by a business (e.g. nails and hair) to accommodate the number of women who attend. Please note that there will be duplication of services among pamperers.
- ◆ We encourage pamperers to offer 15 minutes per service (if applicable) and we will provide each pamperer with sign-up sheets to assist in scheduling guests at the event.
- ◆ There will not be a structured break time; please allow for staff breaks on the sign-up sheets..
- ◆ Businesses may collect guests' contact information *at their space*.
- ◆ Businesses may hold a prize drawing *at their space*, but please contact the winner after the event.
